Mr. Whitney North Haynes
 President, American Bar Association
 120 Broadway
 New York 5, New York

Dear Whitney:

Upon my return to Washington from a brief absence, I found your letter of November 16 on my desk inviting me to meet with members of your conference committee on January 26th, 1961 at the Statler Hotel in Washington.

I am delighted to see the American Bar Association take the steps you have outlined in your letter to assist in a program for including instruction in our colleges and secondary schools contrasting the Communist system of government with our own free democratic system. This, as you know is a subject in which I am deeply interested, and I will look forward with pleasure to the luncheon meeting with your group at the Statler Hotel next January 26th.

With best wishes,

Sincerely,

SIGNED
